#### **WHO ARE THE BIBLE STUDENTS?**

The Bible Students are an autonomous, non-denominational Christian fellowship.

This fellowship has no central head, office or central publishing house. It maintains an association through conventions and enjoys a fellowship that is worldwide. We own no buildings. We rent meeting facilities or meet in homes. Our ministers are not paid. We never pass a collection plate.

We welcome all to share with us in the study of God's Word. There is no organization to join and no creed to affirm. Our services are as simple as those of the early church. Our congregation benefits from the prayer support of one another and our fellowship is warm and friendly.

We accept Christ as our personal Savior, and that he died not only for the Christian, but for all the world. We accept the Bible as the inspired Word of God, and study it in its entirety – both the Old and New Testaments – seeking the harmony of the complete Scriptural testimony.

We believe that each individual is responsible to personally study and prove the interpretation of the Bible for themselves. (2 Timothy 2:15) We strongly recommend topical Bible study as the best means of arriving at God's meaning on each subject, and we provide study aids to that end. We support continual Bible reading on a personal basis.
